

# KLAMATH SPRING CLEAN-UP IS YOUR CHANCE TO MAKE A CLEAN SWEEP

---

**Saturday, May 11 • 8 am to 4 pm**  
**Tingley Lane Regional Transfer Station**  
**in Klamath Falls**

Ready to clean out the garage, clear out the basement and get rid of all your household trash? Our yearly Klamath Spring Clean-Up is your chance to dispose of all the old, unwanted stuff cluttering up your house.

### **How much does it cost?**

Drop-off 3 cubic yards of household trash at no cost!  
(A cubic yard is roughly equal to six 32-gallon trash cans.)  
Anything over 3 yards is just \$14 per yard.

### **What NOT to bring**

Yard Debris • Liquid Waste • Recycling • Household Hazardous Waste

### **What about tires?**

You can bring as many as six passenger tires, off rim, up to (but not over) 17" in diameter at no cost! Additional tires can be disposed of for a fee.

**This annual spring cleaning event is made possible by  
Rogue Klamath Transfer and your Klamath County government.**

We do that!™
